

THE INTERNATIONAL COMPETITION OF INNOVATIONS

Quality Innovation Award is the premier international innovation competition. We identify quality innovations of the highest level through our rigorous process of assessment, expert opinions and authoritative jury. Our criteria focus on hallmarks of a true quality innovation: novelty value, usability, learning, customer orientation and effectiveness.

YOUR PARTICIPATION ENABLES YOU TO

- ✓ benchmark your innovation at the national and international level
- ✓ receive feedback from an independent professional body
- ✓ raise awareness about your innovation
- ✓ improve your ability to sell your innovation
- ✓ penetrate new markets
- ✓ enhance innovativeness in your organization
- ✓ get national and international recognition
